Subject Withdrawn Commitment

Dear Mr. Taylor,

Pursuant to our phone conversation, because Chevron Phillips Chemical Company (CPChem) no longer manufactures the chemical Benzenemethanthiol (CAS# 100-53-8), we like to withdraw our commitment to test this chemical under the vountary High Production Volume (HPV) program.

Please take appropriate action to reflect this withdrawal in the HPV website. The CPChem's registration number under the HPV program is .

We appreciate your help. Please let me know if you have any questions.

Best Regards,

Fred Marashi
